We are excited to announce the first meeting of our German language playgroup for children ages 0-4.

**When?** June 18th 9.30-11.30 am

**Where?** playground  
Boylston Schul-Verein

**What?** Children and parents meet up bimonthly to play games, do arts and crafts, play on the playground, sing German kids songs and mostly speak German. Therefore attending children and their parents need to be able to understand and speak German to some extent. We will involve seasonal holidays and celebrations in future meetings.

The event is free of charge at the moment and the capacity is limited to 20 children. Parents are expected to help with the organization and planning of future events. Please sign via the BSV web portal here:
